

ERF 2024
13-15 March, 2024
Rimini (Italy)

ERF CHALLENGES & HACKATHON

Robotics competitions provide a valuable platform for evaluating the accomplishments of worldwide teams in shared challenge scenarios. They foster discussions, facilitate knowledge exchange, and enhance research. In the upcoming ERF 2024, participants can engage in 4 thrilling robotics Challenges and 1 Hackathon.

Name of the team leader:

Surname of the team leader:

E-mail of the team leader:

Telephone of the team leader:

Please, be noticed that each group must choose one team leader who must fill in the following fields and will serve as the contact person for the entire group.

Names and surnames of the other team members:

CONTEST OF YOUR CHOICE:

Challenges

Robotic Dog Race

Robotics in Agriculture

Robotic Manipulation in Manufacturing

Drone & Autonomous Vehicle Challenge

Hackathon

Robot navigation in an urban environment

We would like to inform you that, in order to participate in the contest, each individual member of the group must be registered (for the 4 Challenges with the STUDENT fee and for the Hackathon for free). Here is the link for registration:

<https://erf2024.eu/registration/>

Enrolments will be accepted until a maximum number of teams (10) for each challenge will be reached. General requests shall be addressed to Prof. Giovanni Berselli (giovanni.berselli@unige.it).

Deadline for contest registrations is March 6.

Please send this form filled in to the Organising Secretariat to receive further information: ERF2024.reg@aimgroup.eu
